#### **Economic Assistance to Suicide Affected Farmers Families**

Marathwada region of Maharashtra is facing the drought since last decade. This may be the natural as well as the manmade calamity. Consequently, the farmers of the region are so scared of their future and failed to suffice the need of their appetite. Many of them committed suicide for the same reason. They thought that it is the right solution for their problems. Actually, they escaped away from their day-to-day problems. Their decision of committing suicide seems to be wrong. Besides, they have put their families (children) as well as relatives in much more trouble. Their families are very much affected by their suicides. Even they are compelled to beg for their livelihood.

The College feels sorry for the sad death of the poor farmers and tries to help to such families by providing them the cash amount of Rs. 1,81,000/-. Actually, we have collected the list of such affected families from the District Collector Office. The College faculty members visited personally to their families and tried to soothe their grief and handed over Rs. 5000/- to each family in the presence of the Tehasildar.
